

Great Fire of London

Having been set homework to make a Tudor house, on 26th March, KS2 then gathered to re-create this historical event.

Just in case, for safety, the fire brigade were on standby. They had different equipment and resources to get it started and to make the flames speed through the buildings - although the wind helped a bit.

“At the beginning I was quite excited because my house was the first to be burnt but then I reflected upon what it must have been like as I saw my house burn to ash.” Milja (Y5)

There were different opinions about it. Some people were excited whereas some people used the time to reflect back on what actually happened on that eventful day. All agreed that they learned a lot by doing it.

Sport Relief

On Friday 23rd March, Kea took part in Sport Relief. They were challenged to run a mile for charity.

Students were given a sponsor sheet and were asked to have money donated to them from family and friends.

On the morning of the fun run, children had to run 5 laps of the school grounds. Students were excited to do the run, some found it difficult but all had the reason they were doing it firmly in their minds.

Staffing

It is with much sadness that I announce that Mrs Wheeler will be retiring at the end of the summer term. She will have worked at Kea for 5 years by then and has contributed significantly to the school during that time – not just to music, the school choir and fantastic school productions, but also to the academic and emotional well being of 5 classes of children during this time. She has also been a highly regarded and supportive colleague and will be greatly missed by all. We will be advertising for a replacement for her and interviews will take place during the summer term. Mrs Bray will be returning from her maternity leave at the end of the summer term and is planning to work in a part time capacity. More information about teachers and classes for next year will be shared in the summer term.

BBC Ten Pieces

On Thursday 22nd March, Y5 and Y6 went on an amazing trip to the Hall for Cornwall to see the BBC Ten Pieces performed by the Cornwall Youth Orchestra.

BBC Ten Pieces is a series of beautiful and striking music performed by young musicians. Some of the pieces performed included: Holst's Mars from The Planets, Finlandia and 'Mambo' from West Side Story.

"I felt different emotions about different songs. When I heard Rodeo, I thought about cowboys racing." Ebony (Y5)

Both classes' eyes were focused on the rhythm of the orchestra and the music. However, some children simply shut their eyes and imagined what was playing out in their ears. By Caitlin, Charlotte, Katie. Ebony & Freya

Easter Bingo

Thank you to Kea School Friends for organising a brilliant Easter Bingo this year. Feedback has been extremely positive and Kea Church proved to be a fantastic venue. They raised an amazing £656.81 compared to £318 raised last year.
