CHARGING AND REMISSIONS POLICY

Introduction

The Governing Body recognises the valuable contribution that the wide range of additional activities, including clubs, practical activities, trips and residential experiences can make towards pupils' personal and social education. The Governing Body aims to promote and provide such activities both as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities.

Charging Policy

Any charges made by the school must meet the requirements of the Education Reform Act 1996. The governors endorse the guiding principles contained in the Act, in particular that no child should have his/her access to the curriculum limited by charges.

Charges

Charges will not be made for any activities which form part of the National Curriculum requirements. No charge can be made for education during school hours. However we will sometimes ask for a contribution to Enrichment Activities which take place in school which we would not otherwise be able to fund eg Tudor Day, or a visit from a local falconry centre. We may also ask for a contribution for transport to an activity eg swimming at St Ivo

The Governing Body reserves the right to make a charge in the following circumstances for activities organised by the school:

- Activities outside school hours or extra enrichment activities within school hours
- The full cost to each pupil of any activities deemed to be optional extras taking place outside school hours. This includes residential visits, a charge will be made for the cost of board, lodging and travel costs (subject to statutory exceptions) the cost will not exceed the actual cost of provision.
- Individual/Group Instrumental Tuition: The cost for providing individual/group instrumental tuition the charge will not exceed the cost of provision.

Financial assistance to support instrumental tuition, educational visits, enrichment activities and school clubs can sometimes be given to children in receipt of Pupil Premium (including Looked After Children) as part of their whole package of support within school. However this will be limited to the total amount of the Pupil Premium allocation.

Charging in Kind

The cost of materials, ingredients (or provision of them by parents) for practical subjects if the parents have indicated in advance that they wish to own the finished product.

Voluntary Contributions

The Governing Body may ask parents for a voluntary contribution towards the cost of any activity that takes place during school hours. Parents are under no obligation to make any contribution and pupils of parents who are unable or unwilling to contribute will not be discriminated against.

In the event of insufficient voluntary contributions being made, the activity may have to be cancelled and refunds will be given.
