Values Day

Mrs Turner is organising a school 'Values Day' on the last day of this half term – Friday 5th April. The day will encourage each class to come off of curriculum and focus on a project involving one of our values. This may be through the media of art, technology, music or another subject. Parents will all be invited to sharing assemblies in the afternoon – times to be arranged. This sort of special day needs extra help. If you are willing to give up some of your time to come and work with your child's class that day then please let Mrs Turner or I know. Thank you

Red Nose Day

Comic Relief is a great cause, supporting vulnerable people and communities in the UK and internationally. We will join in the fundraising on Friday 15th March by wearing red and of course sporting red noses if you have them! Please bring a suggested donation of £1.

Library

Our Library has been given a further makeover. Mrs B who painted our lovely 'phonics area' has been back and spent 5 whole days painting children's characters in the library. These characters were chosen by the children and have really brightened the place. I will often see a group of children staring wistfully through the library door at the beautiful artwork. Look out on twitter for some photos

Running Club

At first I was not sure if I would enjoy running club, as I believed I was not a natural runner. I shouldn't have worried as it is really fun. Over the past few terms, I have improved both my stamina and ability. I now look forward to a Monday morning, no matter what the weather! I would recommend it for everyone no matter what skills you have.
