

The FenHil News

'Respect, Honesty, Kindness and Collaboration'

March 9th 2018

Dear Parents and Carers,

Spring has sprung in Fenstanton this week! How wonderful to see the sunshine. The children have been busy learning and I have had several children sent to my office to show me their excellent work – fantastic!

PTA News

We had lots of children come to choose a gift for Mothers' Day at our present room on Tuesday. Fingers crossed they will manage to keep their choices a secret until Sunday. Happy Mothers' Day to you all.

We are looking forward to our 'After School Chill Out' next Friday. We hope the children will enjoy watching Paddington 2 with their friends. Although we won't be having marmalade sandwiches, there will be popcorn and crisps to eat.

Please remember to return your forms by **Monday 12th March** if your child/ren would like to attend.

Any queries, please contact us on: fhpspta@gmail.com.

Fizzkids

The children are really enjoying their Fizzkids sessions with Mr Yeomans. Please can you make sure your children use the path around the outside of the car park to get to school as staff are also arriving at that time and I need to make sure they are safe.

Early Intervention Family Worker support

We are very lucky to be receiving two parental workshops after Easter. The first will be on Friday 27th April, this will be a drop in coffee morning on 'promoting children's self esteem'. Everyone is welcome! The second of these will be on 30th April on 'Anxiety in Children' places for this will be limited so look out for further communication on how to sign up to this. Both these sessions will be run by Family Worker, Jane Rogers who is available for one to one sessions if you feel you would like them. Please contact me in that instance.

Swallows

After Easter Mrs Woodgate will be on a pre-booked trip to Japan. She has kindly agreed to come back to teach the last half term so that the children get consistency. In the meantime Mrs Jones will be covering Swallows whilst Mrs Carminati teaches Kingfishers.

Africa Day

Thank you to those of you who have now paid for this fantastic day and thank you so much to the three generous donators who covered the rest of the cost. The children are so lucky that there are some very kind and caring parents out there.

A14

The Key Stage 2 children had a wonderful assembly on the A14 works last week, they were really enthused by seeing exactly what is taking place. The team are happy to have visitors to the site, please follow <http://opendoors.construction/> for more information.

As always, thank you for your continued support, school has a happy buzz about it at the moment and I know we are making progress on our improvement journey.

Kind regards,

Claire Worth

Headteacher
