Dear Parents and Carers,

PTA News

It was great to see so many children at the Travelling Book Fair last week and we hope that everyone's enjoying their new books.

To avoid any confusion, the disco planned for Friday 17th May has been cancelled. However, there are still some fantastic events coming up later in the term, so watch this space for more info about those.

We do still need more people to join our Friends list to help make our events happen. Please get in touch at fhpspta@gmail.com if you could spare some time. You don't have to come to PTA meetings or volunteer for every event. As a certain supermarket might say, every little helps!

Diary dates:

- Father's Day present room: Thursday, 13th June over lunchtime
- FenHil Festival: Date TBC
- Summer Fayre: Friday, 5th July, 6.00–8.00 pm

Old Fenstanton Photographs

Jean Ding is displaying her collection of old photographs on Friday 24th and Saturday 25th May in the United Reformed Church. The children will be visiting on the Friday morning to enjoy familiar sights over the years. The public are invited in the afternoon of the Friday and Saturday 10am -5pm.

Tree Pollarding

A warning that the tree at the corner of School Lane and The Fen is to be pollarded on 21st May. The road may be closed briefly to all traffic. The tree surgeon is coming at 9.30, after the school rush, but parents will not be able to park that morning anywhere nearby. Access to the school during the whole morning will be difficult please park in the church carpark.

Interested in Teaching?

If you are considering a career in teaching then please take a look at the attached leaflet. Three information evenings are scheduled in the Fenland area for anyone interested in getting into teaching.

Fortnite

More and more children are telling us that they are playing this game. It has a Pegi 12 rating as there are themes within the game that are not suitable for primary aged children. There is also the option to talk to others via the game. Some children are talking to their friends, some are talking to people they do not know. We implore you, please know what your children are looking at on the internet, have an open door policy so that there are no secrets. On a weekly basis we are having to deal with Fortnite fall-outs that have not been sorted out in the normal face to face playdate fashion as parents have not been informed and then grudges are brought into school.

Funtimes Gate

Funtimes have made sure that their gate is much safer now and ask that you always close the gate after you when collecting children. This ensures that no unauthorised access is granted and keeps your children safe. Please also keep the code as confidential as you can and do not share with children or non-Funtimes parents.

Have a wonderful, long weekend,

Kind regards,

Claire Worth, Headteacher
