Dear Parents and Carers,

PTA News

The summer's events are starting to come together now.

Look out for the email when we come back after half term about the Father's Day present room, which will run on Thursday, 13th June over lunchtime. This is a great opportunity to get a lovely gift for Father's Day.

FenHil Festival and Summer Fayre plans are well underway, but, as ever, we need your support.

Last year, we had a face painter for the **FenHil Festival** and for the **Summer Fayre** (dates below) and it would be great if someone could help us with this again. You don't need to be able to create full, perfect faces, just be able to decorate a cheek for every child who wants it. Please get in touch if this is something you could do.

There will be more information on the **Summer Fayre** coming after half term. It's a huge event for us, and so any offers of help are greatly appreciated. In the meantime, we're making our usual requests for donations after half term:

- Please sort out any unwanted teddies for the Teddy Tombola. (These don't have to be new, but should be clean.)
- Maybe donate a bottle of wine for the Water or Wine game stall (please leave bottles at the school office)
- And... Tombola Week is coming back! Between Monday 17th and Friday 21st June, we'll be collecting tombola prizes **in return for house points and prizes.**

The theme for the Tombola is "Summer". Prizes do need to be new items, but don't have to cost the earth. Some ideas include: fishing nets, ice lolly sets, crabbing set, water pistols, bucket & spade, sun cream, picnic blanket, sunglasses, hats, novelty ice cube trays, twirly straws, travel games, windmills or chimes, garden games,

Frisbees, bubble guns or children's gardening things. Anything as long as it is suitable for children!

The PTA meets next on Monday, 3rd June at 7 pm at school. Please join us if you can help with any of the term's events, or drop Becky a line at fhspta@gmail.com for more details about how to get involved on the day.

Have a lovely half term break.

Diary dates:

- Father's Day present room: Thursday, 13th June, over lunchtime
- FenHil Festival: Friday, 21st June, Infants: 3.30–4.30 pm; Juniors: 5.00–6.00 pm
- Summer Fayre: Friday 5th July, 6.00–8.00 pm

Science Update

On Friday 7th June we will be holding our 'Science Day' with a range of fun activities going on throughout the day on the theme 'Journeys'. These will result in two sharing assemblies where parents are invited to come and see what learning has been taking place. Mrs Sumner, our Science lead has also emailed out a list of fun activities to try at home this half term, these have been carefully considered to be able to fit in around busy family life so please do take a look.

School Football

Over & In will be continuing to run a school football team after school on Mondays (3.20 – 4.20pm) for the last half term of the school year for children who wish to take part in training and fixtures. They strive to arrange two fixtures during the 6 week block of training session which will run from June 10th - July 15th. You have received a separate letter for how to sign up to be a part of this free club. All Key Stage 2 children welcome. This is in addition to the Thursday after school club so please continue to sign up via the Over & In website.

Guitar

Our resident guitar teacher, Mr Cory, may have some available slots for the forthcoming school term (from September). If your child is interested in learning the guitar, please contact Mr Cory via email at jimmypagefans@hotmail.com with your child's name, parent/guardian name, school name, class name, lesson duration requirements (15min - £8.25 per session or 30min - £16.50 per session), home telephone number & mobile phone number. Please note that if you have already joined a waiting list, then your child will be the first to be offered lessons.

Parking

I find myself, once again having to talk to parents and carers about parking. Inconsiderate parking this week meant that bins have not been collected and would result in any emergency vehicle not being able to get to the school or surrounding properties. Please use the church car park or consider walking or biking to school in this lovely weather. The PTA and Grants committee are now looking into getting funding for new bike racks after some useful parental feedback. This would mean that there would be more capacity for children to leave their bikes at school in a safe place.
