Dear Parents and Carers,

PTA News

Please look out for paper plates coming home this week, ahead of next week's cake sale. We would love it if you could fill your plate with delicious cakes (shop-bought or home-made) and send them in with your child(ren) next Thursday (4th April). We will be outside on the green directly after school (weather permitting) selling the goodies. There will also be a display of lost property that you can come and claim, Mrs Johnson in the office will organise this.

There will be a small selection of cakes/biscuits available for those children with allergies. These will be shop-bought and still in the original packaging, for your full peace of mind.

Diary dates

* Cake sale: Thursday, 4 April, straight after school – on the green (or inside if the weather is bad)

* Travelling book fair: 1–3 May, straight after school

Values Day

A reminder that the last day of this half term is 'Values Day'. There will be sharing assemblies which parents are invited to in the afternoon. Key Stage 1 and EYFS sharing assembly will be at 2pm and Key Stage 2 will be at 2.30pm – everyone welcome, come and see what your children have been up to.

Family Café Books

We would like to say a huge thank you to those of you who have kindly donated books as part of our Family Cafe - we have been overwhelmed by your generosity.

Sumdog

After a lengthy consultation with parents, staff and children, sadly we have decided to cease our membership to Sumdog. We will now be taking a different approach to Maths homework, which we will inform you of next term.

Helmets

Please ensure that if your child cycles to school they wear a helmet. There have been some children who are not taking these precautions, which are clearly set out for them when they undertake 'Bikeability'.

Guitar

Our resident guitar teacher, Mr Cory, may have some available slots for the forthcoming school term. If your child is interested in learning the guitar, please contact Mr Cory via email at jimmypagefans@hotmail.com with your child's name, parent/guardian name, school name, class name, lesson duration requirements (15min - £8.25 per session or 30min - £16.50 per session), home telephone number & mobile phone number. Please note that if you have already joined a waiting list, then your child will be the first to be offered lessons.

Running Club

Every Monday morning when my mummy reminds me that it is running club day I get dressed super fast! Running club is so much fun. I love running club because I learn new skills like how to pace my running so I don't go too fast at the beginning and then get worn out. I love it when we do relay races. I go with my friend and we've made new friends there too. We even run in the rain! The mums that do running are really fun and give us a biscuit at the end of term!

Science Ambassadors

As science ambassadors, it is our job to take photos of science lessons and report to Mrs Sumner in a meeting

every other Friday. We give teachers a hand by getting resources and equipment out for pupils to experience the full world of science. We help people enjoy lessons by giving ideas of possible experiments for classes to work on. We are responsible for giving people information and asking questions that teachers can explain later in a lesson or experiment. We will be sure to improve all science lessons for many students around the school.

By Megan and Jay.

Thank you for your continued support, enjoy a lovely weekend in the Spring sunshine.

Kind regards,

Claire Worth,

Headteacher
