Dear Parents and Carers,

PTA News

We had a fantastic turnout at the PTA AGM on Monday and are delighted to say that we now have a committee of 15 and a Friends list of over 30! The more people we have to help, the more events we can put on for the children and the more money we can raise for our school. So, thank you to everyone who came along. If you weren't able to come, but still want to volunteer to help us (a little or a lot), please do get in touch: fhpspta@gmail.com

We're looking forward to seeing the movers and shakers at the discos today! Infants parents/carers can collect their children after the event through the fire door to hall (enter through the fire door and exit via the main door). Juniors should enter the disco via the main entrance and collected as per the Infants.

You'll have seen the email about our upcoming Bag2School collection. Please do look out for the bag coming home soon (although you can use any charity collection bag). There will be more details about collection of the bags after half term, but please do fill up your bag if you're having a clear out as it's a great fund-raiser for our school.

PTA Dates for your diary:

Disco – Tonight!

Movie Night - Fri 9th Nov

Bag2School – Fri 16th Nov

Christmas Fayre - Fri 30th Nov

Spare PE kit

We seem to have mislaid many of our spare PE kit t-shirts. Please can you take a look at home in case these have made their way there? They are plain white and are labelled 'school'. We do not expect you to wash them, as we do this in school.

Hello from the School Council!

We are the School Council team.

We had our first meeting today and we discussed our rules and roles for the School Council and Class Council, Children in Need and Love in a Box. We have already been put to work with packing the boxes to send to other children in the world who don't get many things for Christmas.

We are looking forward to supporting our school, the community and coming up with new fundraising and charity ideas. We would like to take in any new ideas. If you have any, please say in Class Council or ask us at any time.

Thank you,

Fenstanton and Hilton School Council.

Art Gallery

During University afternoons, Mrs Flinders has been running art sessions. Each week she looks at a new artist with the children and then they produce a piece of art based on the artist's techniques. The children have studied Jackson Pollock, Paul Klee, Frieda Kahlo and William Turner. The pieces that the children have produced are astonishingly good and we would like to showcase these to you during an Art Gallery on Thursday 18th October, straight after school finishing at 4pm.

Bus Behaviour

At the beginning of term we asked children to sign an agreement to behave well on the bus. These need to come back to the school office as soon as possible please. The agreement is taken directly from the Cambridgeshire County Council document that you will have received when applying for a bus pass so is something that you should be aware of. Unfortunately there are certain individuals who are continuously not behaving on the bus, this behaviour will not be tolerated and bans will be issued by the transport company if it persists.

FunTimes

It is wonderful that FunTimes are now using our facilities, however they are a separate company so if you do need to make contact during the day please use their mobile number rather than the school office number.

Safeguarding

Please make sure that if you are in school at any time, including after hours that the office know you are here and what you require. You should not move round school independently, this is important for the safeguarding of our staff after school and now that we have children in school for various clubs and FunTimes.

Thank you for your continued support and co-operation.

Kind regards,

Claire Worth,

Headteacher
