

Why don't you.....

Share some stories/Draw a dinosaur

We are well underway with our topic on dinosaurs. This story is called The Dinosaur Who lost His Roar and you can listen to it here. <https://video.link/w/yGpGb>

Try drawing a picture of a dinosaur and add your own features to it, use lots of different colours, and you could also make up a name for it.

Sing some songs and rhymes

This week's rhyme is called 'Who Am I?' You can find it on our home learning page. Have fun practising it!

You can listen to some more dinosaur songs here. <https://video.link/w/lBpGb>

Play Bingo style games/Make playdough

Play a simple bingo style game using cut out shapes. Here is the link for the picture which you can print or draw: <https://images.app.goo.gl/D1vTisp5Nv8qzKMBA>.

You can also make Play dough with a grown-up and have a go at shaping it into dinosaur bones.

Practice counting/Matching

Can you get some dry pasta or Cheerios, put them in in a line, say number names in the right order, starting with 1, and say one number name for each item.

Find some socks and see if you can match them up into pairs according to the picture or pattern that is on them.

Make a dinosaur craft

Have a go at making a dinosaur! Here is the link for the craft: <https://video.link/w/SsWGb>.

Something completely different.... Have a look at this link that will take you to the YouTube channel of the National Marine Aquarium in Plymouth, which has lots of interesting things to do. There are live learning sessions each week which include early years craft sessions and stories <https://www.youtube.com/user/NMAplymouth> This link takes you straight to a story session with a mermaid! : <https://video.link/w/xPWGb>

We hope you have a good week. Please share photos of your fun and games with us and we'd love to hear how you're getting on 😊
