

Sports Premium – Shirley Community Nursery and Primary School September 2016

Review of the impact of spending 2015 – 2016

Confirmed amount 2015 / 16 = £9725

Spend	Cost to the school	Rationale	Impact
Premier Sport Provision of coach at lunchtime to promote and supervise football and other sports.	£40 x 5 = £200 x 38 weeks = £7,600	High level of physical activity during lunch time. Improved behaviour due to proper supervision and refereeing of football games.	Behaviour continued to improve throughout the year during lunch times and Premier Sport offered a wide range of other activities through the summer months to keep a range of children engaged. Additionally, Harry supported with sports day.
NCA sports festivals	£700 a year	Each year group participates in a sports festival at least once per year. Pupils introduced to different sports and experience competition with children from other schools.	All year groups from 1 - 6 were able to travel to NCA and receive a range of sporting experiences. Extremely well organised and ran by the NCA PE staff, utilising the skills of the secondary students to run sessions well.
Subscription to sports partnership	£1,200	To continue providing our members of staff with training opportunities to improve their practise. In addition to this Shirley have free entry to all competitions that the SSP offer.	The SSP offered fabulous networking opportunities with other schools which resulted in several football fixtures being organised. Additionally, Shirley entered two girls football teams into a wide-scale tournament against 16 other schools and also entered a tournament for children with learning and physical disabilities.
Cambridge United Apprentice Scheme	£40 per week – September to December 14 weeks x £40 = £560 Contribution of £225 towards cost.	Support for staff during PE and games sessions. Small group work with targeted children (gross / fine motor skills). 1x after school club. Lunchtime football / activities.	The apprentice supported and ran gross motor skills and activities with 8 children with significant needs in year 4 and 5. He ran football matches at lunchtimes which benefitted both year 5 and 6 every week and he ran the year 5 – 6 after school football for two terms which impacted on 40 children.
Total	£9725		

Amount allocated for 2016 – 2017 - £9725 (to be confirmed)

Spend	Cost to the school	Rationale
