WELCOME TO SHIRLEY SCHOOL!

Dear Parents and Carers

23rd April 2020

We are delighted your child has been offered a place at our school for September 2020.

The current situation with school closures in place is presenting an unprecedented situation for us all, but we wanted to write to you to inform you that the EYFS team are working hard behind the scenes to ensure your child has the best possible start to their school life at Shirley.

As schools are responding to daily Government advice, we currently are not in a position to provide you with the usual transition timetable. However, please be assured we are monitoring the situation closely and will be ready to welcome you into school as soon as it is safe to do so.

In the coming weeks we will be sending out induction packs with key information and forms for you which will need returning to school, including booking forms for our Breakfast and After-School Club. We will be using the email, phone numbers and postal addresses you provided to the Local Authority when you applied for a school place; if these are no longer correct can you please contact: office@shirley.cambs.sch.uk with updated contact details. Our office is currently closed, so we cannot accept phone enquires at this time, but the above email address is being monitored remotely.

Creating a smooth transition into school is something we are very proud of at Shirley and we recognise the need to work closely with you to help support your child settle into school life. We fully understand the types of questions or concerns you might have given the current situation and we will give every effort to helping your child have the best start to their seven year adventure with us.

Thank you for choosing Shirley Primary School. Please follow us on our social media accounts for up to date messages and information about life at school:
