Deputy Headteacher: Suzanne Wernham Acting Deputy Headteacher: Claire Fonseca

Dear Parents,

Friday 20th April 2018

We hope you had a lovely Easter holiday and welcome back to the Summer Term. It is almost time to start Shirley School clubs.

We are really pleased to share that Mr Reynolds will be continuing to deliver two clubs this term; Cricket and Gymnastics. Continuing at lunchtime will also be Mr Lawrence and Mr Simpson.

There are limited spaces but, as always, we will do our best to accommodate all children who would like to sign up. If a club is not full when the registers go up, then please do sign up and your child can still join.

After talking with your child about which club they would like to try and that it is available for their year group, please fill out the permission slip attached. Please detach the permission slips and give them to your child to put in the club boxes at the office.

It is essential that we also have emergency contact details and the most up to date telephone contact details for you. We also ask that pupils commit to being a part of these clubs and that they attend every week to make the most of this opportunity.

Clubs will **start** during the **week beginning 30th April** and they will run up to half term and will start again immediately afterwards (week beginning 4th June). **All clubs will finish** during the **week ending Friday 13th July**.

Please return your permission slips no later than Thursday 26th April. I will then print out the lists of children in each club and display them on the notice boards and windows near the office, as you will not receive a confirmation slip. The lists will be on display from **Friday 27th April**.

Yours sincerely

Mrs. Willis
