

Who are we?

The Shirley Centre is an initiative of the Governing Body of Shirley Community Nursery and Primary School.

The primary purpose of the Shirley Centre is to provide accommodation for educational, welfare and leisure activities for our own pupils and their families. We are also committed to ensuring that the excellent facilities at our school are used to benefit everyone in our local community of East Chesterton and beyond.

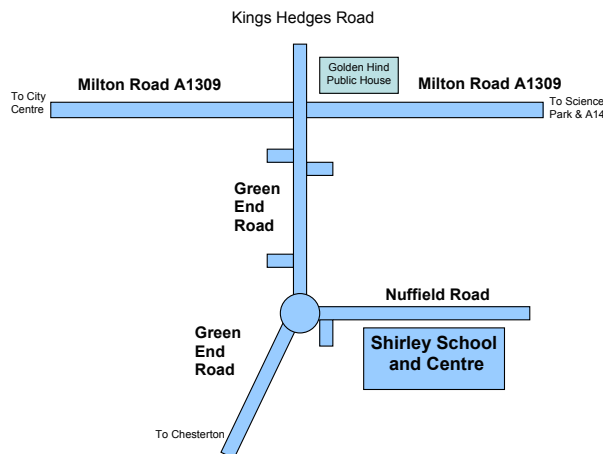

This leaflet provides a summary of the areas that are available for hire by private individuals, community groups, charities and commercial organisations.

Please contact the Centre Administrator to discuss your specific requirements.
