We need your help!

Please can you save any unwanted boxes, tubes and small bottles from home and bring them to school for our junk modelling activities? Any contribution is a big help. Thank you.

WELCOME to our new children
who have started
nursery this term.

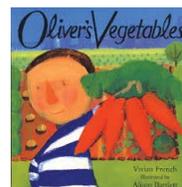

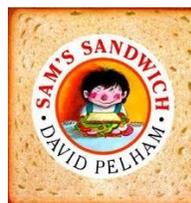

Thank you for bringing book bags to school each week. We continue to change books on Fridays but collect the book bags in on **Wednesday** so that we can also add a new rhyme to your child's rhyme book. Please keep sharing the rhymes with your children and reading daily.

TOPICS

Our topic for this half term is Dinosaurs. We have been reading Dinosaur Bones and finding information in The Little Kids First Book of Dinosaur Facts. Please talk to your children about what they have been learning.

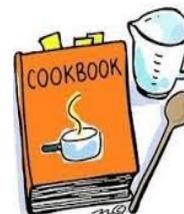

Our topic after half term will be Food and Recipes. Our stories will be Sam's Sandwich and Oliver's Vegetables.

Please read the notice board outside the classroom for weekly updates.

To develop our understanding of the world and our gross motor skills we will be regularly visiting our nature area and school field. As the weather is getting colder we ask that your child has a warm winter coat, sturdy shoes for outdoor play and wellington boots for the field and nature area. Thank you.

We love cooking in Nursery and will be doing lots of tasting and cooking over the half term. To enable us to do this we ask you to donate £1 to our "Cooking Tin" in the cloak room. Thank you
