

Year 1 Summer Term (first half) Plants, the Outdoors and Seasonal Changes

Choose **one** activity each week.

Hand your homework in on Wednesday. Have fun!

1. Plant some seeds and keep a diary to show what happens. Include photos or drawings.	2. Can you name a plant for each colour of the rainbow. Red, Orange, Yellow, Green, Blue, Indigo, Violet	3. Flowers. Draw, paint or create a 3D sculpture of a flowering plant.	4. Read a story book or an information about a plant.
5. Make a wind chime.	6. Build a den outdoors.	7. If you can, visit Heligan and look out for the features from our new Talk For Writing text, 'The Giant'.	8. Visit the woods. How many different trees can you spot? Use the leaf ID sheet to help you.

Dear Parents and Carers,

This homework grid is for the first half of the Summer Term and will reinforce learning from our Science Curriculum and Talk For Writing text which we will send home in the second week of term. This half term certificates will be awarded for: Bronze award - 3 pieces, Silver award - 4 pieces and Gold award - 6 pieces. Thank you for your continued support,

Mrs Lewis and Ms Hine

Be a superspotter!
 How many trees can you identify?

Birch

Alder

Sycamore

Oak

Birch

Holly

Ash

Elder

Horse Chestnut

Field Maple

Hawthorn

Hazel

Rowan

Found any other leaves? Do you know which trees they're from?

Put trees spotted elsewhere in the ground and identified on -

and don't forget there are loads more to identify in the Woodland Trust's
