Dear Parents/Carers

School Uniform

During the Spring term the Governors undertook a review of the school uniform which included asking for parent/carer comments via the newsletter. Only a few parents/carers took the opportunity to comment on the uniform and their comments were considered as part of the review.

Following this review, the following changes will be implemented:

- **From September 2016** - Whilst in **Reception** the children will wear plain white polo shirts all year round, instead of shirts and ties.
- **From Spring 2017** - **Red polo shirts** will no longer be part of the school uniform. Children will wear shirts and ties all year round.

Please see the amended uniform list on the next page.

We are mindful of the fact that you may have recently purchased a red polo shirt for your child and this is why the changes will not come into force until the academic year 2016/17.

We would like to remind parents/carers of the importance of children having the correct school uniform. This helps present a school identity, stops any fashion issues and strengthens the children's sense of community. Hair needs to be styled appropriately for school. It needs to be tidy and long hair needs to be out of your child's face. All items being brought into school must be clearly labelled.

We thank you for your continued support with this issue.

Yours faithfully

Mr S Gibson

Uniform List 2016 - 17

Children are required to wear the correct uniform. This helps present a school identity, stops any fashion issues and strengthens the children's sense of community.

Parents are requested to ensure that their child's hair is tidy and out of his/her face. While we recognise that hair is a great way to display fashion and individuality, hair needs to be appropriately styled for school.
