

E-Safety Survey for School Staff

Ofsted Inspecting e-safety in schools Section 5 Briefing published September 2013 recommended that schools 'audit the training needs of all staff and provide training to improve their knowledge of and expertise in the safe and appropriate use of new technologies'.

The intention of this survey is to simply determine awareness, understanding and practices of across school staff in relation to e-safety. The results could be used to inform future professional development plans.

Please be as honest as you can in the following sections:
