**Agape - to live, to learn, to love, together.**

23<sup>rd</sup> November 2020

Dear Parents/Carers

As an EYFS team, we are looking to improve our outdoor provision. We are going to be having some storage cabinets built for our outdoor undercover areas. These storage cabinets will allow us to store toys and equipment neatly while allowing the children to access the resources at their own leisure. By doing this, we will be encouraging the children to expand upon their ideas and initiate their own challenges. In addition to this, we have also purchased some new equipment which we are excitedly awaiting the arrival of. To develop our vision further, we are asking for donations of crates, guttering, planks of wood (readily planed and so is safe for use), wooden kitchen utensils and pots and pans. Here are some examples of what we are looking for.

If you have any of these items which you would be willing to donate to us, please speak to a member of staff.

Many thanks

Mrs Garner and Ms Cawston
