English Tasks				
SPaG Focus: Spelling Rule 4 - Prefixes (A prefix is a group of letters placed before the root of a word. For example, the word "unhappy" consists of the prefix "un-" [which means "not"] combined with the root (or stem) word "happy"; the word "unhappy" means "not happy.") Play some of the games from the spelling tiles activities: https://spellingframe.co.uk/spelling-rule/11/4-More-prefixes-1-of-3	Pobble 365 Underneath: https://www.pobble365.com/underneath  Story starter: On the surface, everything looked ordinary. The boy in the boat was bored. He had lived beside this boring river with his boring family for his whole boring life. Nothing unexpected ever seemed to happen to him. He often went to bed at night and wished for something exciting in his life. Little did he know, underneath the ground he walked on and the river he rowed his boat on, a marvellous, mysterious, magical menagerie of life stirred. His life was about to become a lot more interesting...	Powerful words Can you create word posters for these two new words? Insatiable Flawless Include a definition, picture, synonyms (words that mean similar/same), collocations (word pairs), sentences. What action will you make up?	Literacy shed - watch Don't go: https://www.literacyshed.com/dont-go.html  The family cat is enjoying a relaxing morning at home, snoozing on the sofa, tucking into his dinner - when his peace is shattered by an unusual visitor. Will cat ever catch him? Imagine you are the cat - how would you be feeling?	Extended writing- watch Don't go: https://www.literacyshed.com/dont-go.html  Task: Devise a set of instructions on how to avoid being caught by a cat. Remember: <ul style="list-style-type: none"> • Neat handwriting and finger spaces. • Capital letters and full stops. • Write in sentences.

Spelling Rule 4 - More prefixes (1 of 3)

play

disappoint
disagree
disobey
inactive
incorrect
illegal
illegible
immature
immortal
imperfect
impossible
impatient

Extension task: Write the words in sentences

- Question time:
- Who is the boy and why do you think he is bored?
 - What do you think he has with him in the boat?
 - What do you think his family are like?
 - Where do you think their home is?
 - Who do you think lives in the city under the ground?
 - Why do you think the boy has never seen the people who live there before?
 - Why do they live underground?
 - Is there anything peculiar about the sea or the tree that is next to it?
 - What do you think is about to happen to the boy?

Task: Perfect picture - Think about where there might be a hidden city in your school or home. A place where no one would bother the inhabitants! It might be under the stairs or inside a bookshelf or even under the floorboards! Can you draw and write about what you have imagined?

Task: Sentence challenge - Can you include some speech in your writing, using inverted commas?

E.g. "Have you found it yet?" asked the visitor.
"What?" replied the boy.

Remember to start a new line for a new speaker.

What about if you were the visitor - how would you feel being chased?

Create a description of the two characters - make a list of the words you use.

- Say the sentences aloud before writing it to check it makes sense.
- Re-read your sentence to check it makes sense still.
- Use your phonics to help you sound out and spell words.

The diagram shows a list of steps for writing an instruction text. Callouts point to specific parts: 'Heading' points to the title, 'Steps' points to the numbered list, 'Openers' points to the start of each step, 'What you need' points to the materials list, and 'Bossy verbs' points to the imperative verbs in the steps.

Challenge: Create a world for the pink character. Make sure you add a description.

Maths Tasks

Multiplication and division

LI: Multiplying and dividing by 3

Watch the videos:

Then have a go at the practise activities:

Multiplication and division

LI: Multiplying and dividing by 8

<https://www.bbc.co.uk/bitesize/articles/zvvsy9q>

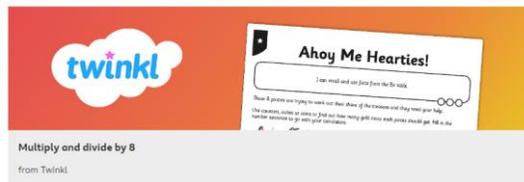

Follow through the slide show:

Then have a go at the tasks:

Activity 1

Use these activity sheets to explore multiples of 8, multiply and divide by 8, solve simple problems and identify patterns in your $8 \times$ table.

Activity 2

Play this exciting space race game to help you get quicker at recalling your 8 times table.

Multiplication and division

LI: Multiply a 2-digit number by a 1-digit number

<https://www.bbc.co.uk/bitesize/articles/zb4gcqt>

Watch the video:

Then have a go at the tasks:

Activity 1

Now, find out more about multiplying a 2-digit number by a 1-digit number using a written method with this interactive guide. You only need to play sections 1 to 4.

Once you've opened it, you can use the 'Next' button on the bottom right-hand side of the screen to work your way through each page.

Activity 2

Try this worksheet from Big Maths to test your knowledge of multiplication.

Activity 3

Have some multiplication fun with this activity from Twinkl!

Multiplication and division

LI: Divide a 2-digit number by a 1-digit number

<https://www.bbc.co.uk/bitesize/articles/zbkdjyh>

Watch the 3 videos:

Then have a go at the tasks:

Activity 1

Get to grips with some questions. Please go on to this worksheet from Pearson. You can print it out or just make a note of the answers on a piece of paper.

Activity 2

Try some more questions on dividing a 2-digit number by a 1-digit number with this worksheet from Big Maths.

Activity 3

Now, let's take a look at a written method for division. Complete sections 1 to 4 of this interactive lesson below.

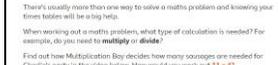

Multiplication and division

LI: Multiplication and division problem solving

<https://www.bbc.co.uk/bitesize/articles/zhvbrj6>

Watch the video:

When approaching division, have a think about what method you might use. Charlie's party in the video below. How would you work out $28 \div 7$?

Then have a go at the tasks:

Activity 1

First, have a go at completing this worksheet from Twinkl. Remember, you can print it out or just make a note of the answers on a sheet of paper.

Click here for the answers.

Activity 2

Mathematics needs you! Complete your basic training and then navigate to the Mysterious Mountains of Multiplication and Dark Tower of Division for some multiplication and division problems.

For the activities in maths, remember you do not have to print them out, you could just get the children copy them into a book or on a piece of paper!

Weekly project idea: RE focus - Mrs Kenning has sent some RE ideas for you

Hinduism

Who and Where

- Explain who founded Hinduism and where.
- On a map shade and label the countries where Hinduism is practiced in the past and today.

Main Beliefs

- Explain the main beliefs in Hinduism.
- Create a report about the different Hindu beliefs and deities (You can present the information in any format you choose)
