

## Guyhirn Church of England Primary School Sport premium impact report 2019-2020

For the academic year 2019-2020 the school will receive approximately £16670 in sport premium funding to spend on School PE and sport. The funding has two main aims:

- To develop and add to the PE provision and curriculum already in place in our school.
- To make sustainable improvements now and for the future.

The National Curriculum aims are:

- Children to be physically active throughout the school day.
- Children to participate and experience a range of PE and sports activities
- Children to engage in competition
- Children to lead Healthy Lifestyles

Guyhirn Church of England Primary School is located in a small village in the Rural Fenland area and sporting opportunities are minimal.

Guyhirn Church of England Primary School aspires to ensure all children have the opportunity and means to participate in high quality sport provision within, and in addition to the curriculum.

The Sports premium funding has been prioritised in the following areas to ensure a positive impact on the school community.

- To improve provision through membership with Improve it Sports partnership to include affiliation, competitions, Staff professional development and provision of high quality coaching staff.
- To maintain and extend free high quality sports clubs, available to all the pupils.
- To provide dance classes, available to all pupils.

- To provide transport to and from the local swimming pool for all pupils to attend swimming lessons in curriculum time from reception year,
- To hire both pools at the local swimming pool to meet the needs of varying swimming ability from Reception year.
- To provide a swimming coach at the local swimming pool to ensure all pupils are taught the skills to swim from Reception year.
- To improve staff knowledge and confidence in the delivery of Gymnastics.
- To improve parental involvement of physical education
- To promote our school rules of Ready, Respectful, Safe through class team building days.
- To develop early years foundation stage physical development through training in the use of balance bikes.
- To provide inspiration, aspiration and resilience to all.

**The effect of the funding on Pupil's sport participation and attainment**

- Participation at intra sports competitions have increased
- 38% of children currently attend additional after school sports club
- 67% of children have attended additional after school sports club
- Through continued consistent PE provision attainment in PE skills has shown a significant improvement particularly in confidence.

Children are able to demonstrate their PE skills through the use of the correct functioning equipment.

### Sustainability

The PE sports premium has been used to purchase a wide variety of Sports equipment that can and will be used in the future years.

- All staff attend and support PE sessions with a qualified coach to further develop their learning and delivery of future PE sessions
- Links are made through extension activities as part of our PE program that provide free or low cost workshops to support children's and families learning.
