Theme for Class Council:

Our new Friday Golden Time - launched on Friday 26th April 2019

- What do we like? What don't we like? What could make it better?

The Councillors had a group discussion and took it in turns speaking around the table. The following was noted:

We like

- We like going anywhere and we get to go to other classrooms - it's good to see Y1 and Y2 classrooms; there are bigger things!
- We can change activities
- Each zone has different activities
- There are signs to tell us where to go
- We like the horn but it could be louder as we can't hear it sometimes
- We like mixing with the Y1 and Y2 children and we get to see their classrooms

We don't like: there wasn't anything that the children didn't like, but they suggested some things could be made better.

What could be better:

<ul style="list-style-type: none"> • Decorate the zones • Disco ball in the Hall • Different choices in the zones • More choices in the zones • We would like the Bikes and Trikes 	<ul style="list-style-type: none"> • We would like a party zone with party games • We could have a dance competition • More art/creative areas
