

PE and School Sport Funding – Shirley Community Nursery and Primary School

The Government have made a commitment to physical education (PE) and sport for primary aged children by allocating funding to all primary schools. This funding is to be used to improve the quality and breadth of PE and sport provision.

At Shirley we will be using the money to pay for a specialist PE teacher to spend time working alongside new and newly qualified teachers in lessons to increase their subject knowledge and confidence in PE.

Buying into the local School Sports Partnership to allow staff to gain training and pupils to participate in extra-curricular competitions.

Employing a local coach to provide weekly after-school sport on the school site.

Providing pupils who are gifted and talented in sport with expert, intensive coaching and support.
