

Dear Parents and Carers,

This has been another lovely week in school, especially now our youngest pupils have joined The Orchard. We are so proud of our Reception team who have been able to ensure a smooth start for our new families and children.

We appreciate that the roadworks in Chanctonbury and Holmesdale roads are causing inconvenience to you all, however, it is still important that you do not park in school grounds due to the numbers of people trying to maintain social distancing as they come into school.

Home Learning will be resuming next Friday (the 25th September) and you will receive full details of our new online learning platform, Google Classroom, later this afternoon.

Save the date - Your Space Zoom meeting

Emma Connor will be hosting a Therapeutic Parenting Course via Zoom on Thursday 15th October.

The meeting will offer a unique and down-to-earth course for parents and carers in providing practical ways to have the best relationship with their children.

The course will offer an overview of children's emotional brain development and offers practical strategies and therapy games to develop strong emotional bonds and help parents therapeutically manage children's anxiety or challenging behaviours. Details of how to sign up will follow shortly.

Google questionnaires reminder

Thank you to those families who have completed the Google Forms about Photo Permission and Access to Technology at home. Although the deadline has passed we would still appreciate these being completed if you haven't already done so. The links can be found below:

Healthy Eating

As part of our curriculum we teach children about how to keep themselves healthy. This includes eating a balanced diet. The Eat Well for Less programme shown on BBC 1 this week shocked us when it investigated the fat and salt content in some packed lunches. You can view the episode on BBC I player by following the link <https://www.bbc.co.uk/iplayer/episode/m000mpdz/eat-well-for-less-series-7-2-the-peters-family>
