

### Art / Design and Technology

In our Art lessons we will be making a batik of the Union Flag; painting portraits of the Queen; designing and printing a stamp; designing and making a teacup from clay and investigating biscuits and making a perfect biscuit to dunk.

### Science

During Science lessons we will be exploring seasonal changes and learning all about materials and their properties.

### Topic

In Topic lessons we will be exploring what it means to be British. We will learn about the role of a monarch; look at family trees and find out about some significant British monarchs including Queen Elizabeth II and Queen Victoria.

### PSHE

We will be discussing Beginnings and Belonging and learn about families and friends. We will take part in Anti-Bullying week and find out about diversity and communities.

### Music

Our Music lessons will focus on rhythm and pulse using marching and other rhythmic musical pieces as a stimulus. We will then explore 'Royal Music' such as the National Anthem and Zadok the Priest.

### RE

This term we will be learning about what belonging to a faith means to a family and we will find out about Christian worship with a focus on Christmas.

## Year 2 We Are Britain

### English

We will begin the term by using the books by Steve Anthony – 'The Queen's Hat' and 'The Queen's Handbag' for story writing activities. We will read and respond to poetry with a Royal theme e.g. the Changing Guard at Buckingham Palace'. We will write fact files about Kings and Queen and explore the book – 'The Queen's Knickers'.

### Maths

This term we will consolidate and further develop skills in place value, time, addition and subtraction and money. The children will continue to build upon their skills when exploring a range of measures.

### Trip / Activity

A Royal Tea Party

### PE

In Outdoor PE we will be improving our ball skills in various different ways both competitive and non-competitive. Indoor PE will focus on marching dances and in Gymnastics, rolling and rocking movements.

### Computing

We will be learning about keeping safe online and find out about computer viruses. We will learn about algorithms and write simple programmes. We will use a word processor to create a document.
