

Weekly Bulletin

July 3rd 2020

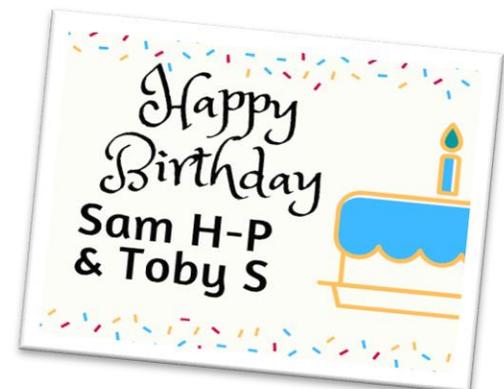

Over the last few months, our Year 6 pupils have been working hard to develop their enterprise skills and to raise money for their leaver's hoodies. That hard work has finally paid off with the arrival of their hoodies this week. We have had dance-a-thons, bounce-a-thons, sponsored walks, and chores around the houses, piano busking, t-shirt making and selling...the list goes on! In all the 21 children managed to raise an impressive £411 – fantastic work everyone!

As we swiftly approach another year-end in school, I am again more aware than ever how quickly time passes and how rapidly our children grow during their time in school. It really doesn't seem possible that a whole year has passed since report time last year and that opportunity for staff to reflect on how much your child has learnt this, shorter than usual, year and for children to consider what they are looking to improve on.

Children's reports have now been uploaded onto your MCAS portal. This is an important opportunity for you to share in your child's achievements and celebrate their successes. Please bear in mind that for most of our children, our reports will be based on your child's performance in the first two terms with some reflection of any learning that has been shared with teachers this term. Please do [complete this form](#) to let us know your feedback especially if you would like to discuss your child's report with their teacher.

As we carefully put in place our plans to get things moving again, we will be considering ways to ensure that your child's transition to their next class is as supported as possible, starting with your child's new class teacher joining your child's Tapestry or Google Classroom platform. Watch out for story-time with your new class teacher coming soon.

Our Virtual Sports Day

To help you with setting up and delivering this year's sports day activities at home, Miss Jackson has put together videos of each activity on [our school web site](#) (see link below). Your child has all week to practise and we look forward to receiving your results by Thursday 9th July.

Lockdown Entertainment

Inspired by our staff Lockdown Rap, Mr Jones tasked Kestrel class with writing and performing their own version. When we heard [this one](#)...we couldn't help but share it with you. Well done Scarlett and family.

Summer Reading Challenge – 'Silly Squad'

We know that due to the Covid-19 crisis, finding books to read for your Summer Reading Challenge won't be as easy as popping into the library. Although library buildings are closed at the moment, libraries can still help you find eBooks and audio books to read through their e-lending platforms.

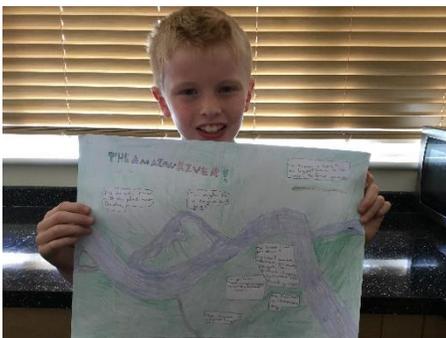

Watch [their video](#) showing you how to do this. Visit our [local authority library Facebook page](#) or the [Summer Reading Challenge Facebook page](#) for more information.

WIN £5,000 for our school! School staff, parents and relatives can all [enter here](#) – the more nominations our school receives, the higher our chances of winning – so spread the word

Our Home Learning Gallery

From the team at Meldreth Primary School...we wish you all well!

Meldreth Scarecrow Festival

Plans cancelled? Diary a bit empty?

**Join us for the first Meldreth Scarecrow festival, on the
weekend of the 11th to 12th of July.**

**Craft, build, decorate your scarecrow on the theme of
Children's Entertainment.**

Prizes to be won for the best scarecrow.
