## Getting ready for Year 1 with Miss Jackson

Would you like to know something about me? I love to be active and try to do something every day to keep me fit. Draw a picture of yourself and write a sentence underneath telling me something about you.

## The fish who could wish

What would you wish for and why? Give as much detail as you can about this, what would you wish and why? *If you wish for a new bike, what colour would it be? Where would you ride to? Who would you ride with?*

*Remember- say the word, sound it out, use your alphabet mat and write letter shapes carefully*

## PHONICS - 'wh' whoosing words

You need:- 'wh' cards, cushions and a dice.

1. Make a line of 6 cushions.
2. Put different 'wh' word each side of the cushions (so using 12 words).
3. Roll the dice and jump along that number of cushions. Now read the word.
4. Can you land on all the words to collect them?

## Maths Tick tock, make a clock

**You need-** something circular- a paper plate or piece of card, pens, split pin or blu-tac

1. Find a clock in our house, look carefully to see what numbers are on the clock.
2. Now your challenge is to make a clock, carefully copy the numbers round the edge of the circle. Put 12 at the top, 6 at the bottom, 3 and 9 at each side.
3. Now add the rest of the missing numbers.
4. Make a big hand and a small hand. Put these in the middle with a split-pin or blu-tac

Have a watch-

## Reading Corner

Listen to today's story on Tapestry. The fish who could wish.

Have you got any underwater stories?

## Get Creative some ideas

- Wednesday Music Time- 'The carnival of the animals Aquarium' by Saint-Saens <https://www.youtube.com/watch?v=IyFpZ5MZ7kk> Can you make some under the water music? Or find some more watery music to listen to and relax?
- Magical underwater creatures. Find some clay, playdough or salt dough (very easy to make). Make a fish, a mermaid or merman. Add scale patterns to the tail.
- Sporting challenge- how long can you balance a ball on a racket?

**Upload your work to Tapestry or email to us, we would love to see it**
