

# Our Prevent Duty of Care

At Meldreth Primary School we follow the principles outlined in *The Prevent Duty (DfE 2015)* and we seek to:

- **Raise awareness** within school of the threat from violent extremist groups and the risks for young people.
- Provide **information** about what can cause violent extremism, about preventative actions taking place locally and nationally and where we can get additional information and advice.
- Help schools understand the **positive contribution** they can make to empower young people to create communities that are more resilient to extremism and **protecting the wellbeing** of particular pupils or groups who may be vulnerable to being drawn into violent extremist activity.
- Provide advice on **managing risks** and responding to incidents locally, nationally or internationally that might have an impact on the school community.

Our school will use these principles to guide our work in all areas including building on our work in:

- Promoting Every Child Matters outcomes for all pupils
- Promoting pupil wellbeing, equalities and community cohesion
- Building the resilience of the school, working with partners, to prevent pupils becoming the victims or causes of harm
- Working with other agencies and parents to build community networks of support for the school
