Our Rich Curriculum

The National Curriculum sets out what children should be taught and sets out what pupils should be taught by the end of each key stage. Children in their first year of school follow the Early Years Foundation Stage Curriculum.

It is our vision to deliver outstanding educational provision so that our children become...

- responsible, independent individuals who have the knowledge and attitudes to contribute to and be successful in an ever-changing world
- creative, imaginative thinkers and risk takers who enjoy challenge and love solving problems
- respectful and resilient learners

Our curriculum places a strong emphasis on the quality of children's **learning** and is designed to help prepare them for their futures. This reality forms the basis of our curriculum, which focuses on developing children's skills to develop independence and tackle challenges with confidence.

At Meldreth Primary School thanks to our curriculum drivers, ... *possibilities, real experiences, initiative, adventure and community*, many of the activities listed in this passport are covered by what we offer in school or there are similar activities which offer comparable learning experiences. We also know that Meldreth families play a very active role in their children's learning at home and so our pupils visit a number of cultural destinations and participate in lots of interesting activities.

We hope that by using this passport that you and your child will enjoy a lifetime of learning memories together.
