

Weekly Bulletin

May 1st 2020

Summer Term in school is usually our busiest sporting term and as well as our home learning signpost activities (available on the website each evening), I would like to invite you to take part in our **Summer Virtual School Games**. Our Sports Partnership are running a series of 'Sport Challenge Weeks'.

w/c 11th May

w/c 1st June

Thurs 25th June

Tennis

Athletics

Summer Virtual School Sports Day

We will be sending our activities and challenge cards with daily challenges over a week for your children to complete. Look out for our Tennis week coming soon! You can email your videos or pictures to either our local School Games Organiser, Claire McDonnell CMcdonnell@combertonvc.org

Or you can tweet them on: South Cambs SSP- [@SouthCambsSSP](https://twitter.com/SouthCambsSSP)

Or tag them on Facebook: South Cambs: [South Cambs School Sport Partnership](https://www.facebook.com/SouthCambsSchoolSportPartnership)

Please attach the first name of the child involved and the primary school that they are representing. **You have until 5pm on the Friday of that week to enter your submissions but ideally, we would like you to try and enter them on the day!**

The emphasis of activities is on fun and participation but there will be prizes to be won! At the end of each week the Sports Partnership will be choosing an individual winner from each area and an overall school winner. You can earn points for our school by entering your daily videos/photo with each one worth 10 points towards your school's overall total! **So, enter everything and our school will get lots of points!** Winners will be announced the following week on our social media platforms. Also, every time your school interacts with our posts on social media, they will gain points towards their overall totals. So, get your entries in and remember to include your first name and school.

Staffing Updates

It is with much sadness that today we say goodbye to **Mrs Kim James** who is retiring from her role as our caretaker. She has worked in school for the past 10 years and will be sadly missed. We thank her for her commitment to our school and wish her wish her well. We are delighted that **Mr Ian Reay** has been appointed as our new school caretaker. His new job is to keep our school warm, safe and clean for our children.

Daily Mile

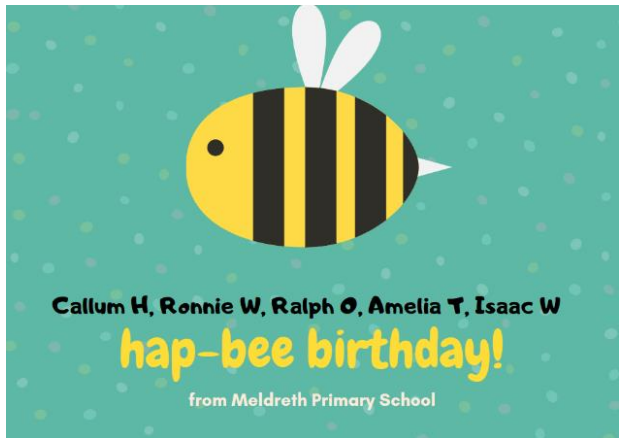

To keep your family active and motivated, we're working with the daily mile team to create weekly challenges for The #DailyMileAtHome! Every week on Monday, Wednesday and Friday, there'll be a new challenge for you. To tick off all your Daily Miles at Home on our May Calendar and to find out about this week's challenge, see <https://thedailymile.co.uk/at-home/>.

Looking for something fun as a family?

Enjoy story time with our free online books and videos, play games, win prizes, test your knowledge in our book-themed quizzes, or even learn how to draw some of your favourite characters. Keep your family entertained whilst we're all at home – join in the fun at [BookTrust HomeTime!](https://www.booktrust.org.uk/home-time/)

Food Bank

Don't forget the food bank is available for our families and has food and supplies including toiletries and non-perishable groceries for basic meals. Open opposite the British Queen car park Tues 10-12 & Thurs 2-4. To contribute or to access, please Tel Anne Bobeckyj, 07592 355279.

From the team at Meldreth Primary School...we wish you all well!

If home isn't safe, support is available

If you or someone you know is experiencing domestic abuse, you can get help:

How to wash your hands

Sleeves Water Soap

A sequence of three photographs showing the initial steps of handwashing. The first photo shows a person rolling up their red sleeve. The second photo shows hands being turned on under a running faucet. The third photo shows soap being dispensed from a pump bottle into the palm of one hand.

Sing happy birthday...

1. palms

2. back of hands

3. between fingers

Sing happy birthday again!

4. backs of fingers

5. thumbs

6. nails

Look for dirt Rinse off soap Dry well!

A sequence of three photographs showing the final steps of handwashing. The first photo shows hands being inspected for dirt, with cartoon eyes added to the hands. The second photo shows hands being held under a running faucet. The third photo shows hands being dried with a white paper towel.

Turn off tap with tissue Put tissue in the bin 😊

A sequence of two photographs showing cleanup. The first photo shows a hand using a tissue to turn off the faucet. The second photo shows the used tissue being placed into a black bin.
