Dear Parents and Carers

## WILLOWS SPELLING

First of all I would like to say a big 'Thank You' to all the parents and carers who came along to the 'Willows Spelling Scheme' presentation after school yesterday. It was much appreciated.

Today your children should be coming home with a plastic zip-loc bag containing a set of five spellings to learn this week. This is our new spelling scheme and we are hoping, with your help, to see rapid improvement in spelling this year.

The booklet your child has received has been chosen to suit their individual needs. After a 'monster spelling test', this is the set your teacher's child has chosen for your child to start with.

A few things to know:

- Please **do not write in your child's booklet** – they will need to practise separately on a piece of paper – the booklets are for teachers' use only!
- Your child will be tested on a Friday and given their next set to do for the following week.
- Further up the school – or if your child copes brilliantly with learning a set of five spellings – your child can expect to be given two sets per week. **(In Year 6 all children should practise two sets starting from the hi-lighted set.)**

Please look through the booklets at the 'Top Tips' so that you can help your child. The powerpoint explaining how the scheme works will be on the website by Monday. Do ask your child's teacher if you have any questions.

Thank You,  
Sarah Parker (English Subject Lead)
