Acting Head of School: Paul Gallagher
Executive Headteacher: Dave Carter
Diocese of Arundel and Brighton

31 January 2019

Dear Parents and Carers

You will have received a letter recently welcoming you and all those connected with the Annecy school community to the Bosco Catholic Education Trust. This is an exciting new chapter for the school and one which we hope you will be very much part of shaping and informing.

We like to talk about 'Community' a lot at Annecy and one very important way of being part of this school community, helping to influence and improve the life-chances of the children entrusted to our care is through strong governance. You may not have had any experience of being a school governor or you may be concerned about how many hours this might involve. Well, worry not! Firstly, we'd give you plenty of support and opportunities for training and secondly, we try extremely hard to share the workload and make governance work around your current commitments.

Governors at Annecy will initially meet once every half term, with the intention to do so for a maximum of 1.5 hours. We tend to meet in the afternoon / early evening (4.30pm onwards) but can be flexible around the members of our governing body.

As a 'new' school within Bosco CET, we have lots of opportunity for people with a range of skills to join the team. We are looking for a parent governor, governors with a skill set in premise, finance, IT, HR, marketing or education. If you are a practising Catholic you could join as a Foundation Governor, but if not, as a non-foundation Governor.

The application process is really straight forward, so if you are interested in helping your child's school (or know of someone else who might be) please do get in contact on office@annecy.e-sussex.sch.uk.

Many thanks for all you continue to do to support the school,

David Carter CEO, Bosco CET.

Paul Gallagher, Acting Head of School
