### French School Visit

On Friday we had 42 children visit us from our link school in France, Veules-Les-Roses, and we all had a wonderful day!

The children in Sapphire and Emerald Class met their penpal and spent the day practising their French and helping with our visitors' English. The children ate lunch together, shared reading French/English books and the French children taught us a new ball game!

It was lovely to see our children interacting so well with our visitors.

They were all very welcoming, polite and friendly; a real credit to our school.

If the device has Bluetooth, set it to 'undiscoverable', otherwise you may unintentionally share data or allow hackers to take control of the device.
