Serving the local community in the name of Christ since 1859

22nd January 2016

Hello everyone,

My name is Mrs Fox and I am the Year 4 teacher alongside Miss Hughes. I have been lucky enough to work at St Clements for nearly four years now and have worked with many of the children, especially in Key Stage 2.

This week has been another busy week at St Clements and the children are all enjoying their new topics. Children have been on exciting trips and had special visitors into school to help bring their topics to life.

Next week is an exciting week as it is Interfaith Week. Each class will be basing their learning around an aspect of faith and producing some amazing work for a school big book at the end of the week. If your child has anything linked to their faith, such as prayers or special clothes, which they would like to share with their class, then please feel free to send them in.

Have a wonderful weekend!

Year 3 and their special visitor

On Thursday 14th January Green Class had a very special visitor. Our creative topic this half term is Gods and Mortals and is all about Ancient Greece.

We have been busy learning about our favourite gods and looking at the various different Greek myths. One of the gods we have been learning about all about is Zeus. Mrs Hall and Miss Groom showed us a video of him so we could learn a little bit more. Little did we know that watching a video would have such an outcome!

Zeus, who was the king of all the gods, came to visit our class. He said that because we had watched the video three times it had awoken an ancient curse and just had to come and see for himself who had done such an amazing thing. Green class were delighted because as part of watching the video we had been thinking about questions we could ask Zeus. He was very impressed with the children's knowledge and learning, as was Mrs Hall. He has promised to keep an eye on what we are doing and may even come back and visit us again!

Please visit our e-schools page for ideas on how you can help your child learn more about our topic along with their homework tasks for this half term.

Data Sheets Need Returning!

Student data sheets that were sent out at the start of term need to be returned!

Please make sure you check and update any information that has changed,
if there are NO changes, we still need them signed and return.

A visit from the Animal Man

This week in Reception we had a special visit from the Animal man! He brought lots of scaly friends for us to meet. We met a friendly snake called Milkshake and a Gecko named Yousaf, and many more animals were hiding in his massive box! Some of the children were really scared at first, but then plucked up the courage to touch, and even hold the scary creatures! We were able to ask the Animal man lots of clever questions, and also find out more information about our scaly friends. The visit from the Animal man has truly enhanced our topic, and has made the children eager to learn more about these reptiles.

NSPCC Workshops

On Tuesday, years 5 and 6 took part in NSPCC workshops. The children looked at ways of keeping safe and identify trusted adults they could speak to. The children enjoyed lots of discussion time and interactive quiz games.
