# HAPPY EASTER

Serving the local community in the name of Christ since 1859

29<sup>th</sup> March 2018

Hi Folks,

Well it's the end of another term. It's has flown by super fast. The children have been working really hard and there has been lots going on in such a short time.

The school is looking really bright with our beautifully decorated Easter tree and our newly drawn and painted Stations of the Cross images which will be hung up around school. We have so many talented children in school!

The holidays will be a busy time for year 2 and year 6 who have lots of homework to help them prepare for their SAT's in the summer term. Hopefully the weather will become more Spring like and everyone can get outside and enjoy some fresh air.

Wishing you a peaceful Easter and see you in two weeks.

Miss Shryane - Deputy Head Teacher

## Safeguarding What Makes a Safe Place to Play?

Staying safe outside of school and when you are playing is very important. You take part in lessons about staying safe inside and outside of school - can you answer these questions about safe places to play?

- \* Who can help keep you safe?
- \* What makes a safe place safe?
- \* Can you name three safe places to play?
- \* What makes a dangerous place unsafe?
- \* Can you name three dangerous places to play?

### Year 6 Remember!

- Ask your parents if it's OK before you go out to play.
- Make sure you tell your parents: where you are going to play,
- who will be with you and what you are going to do.
- Know how you are going to get there and home again!

For more information regarding safe and unsafe places to play please visit the School Beat Website.
