Serving the local community in the name of Christ since 1859

29<sup>th</sup> September 2017

Welcome to the Anchor News where this week you get to hear from me, Miss Greene.

I have been at St. Clement's since September 2013 working as a General Admin Assistant, which allows me to help across the school as needed. I am lucky that my day to day job varies and can include creating displays, backing children's work, designing and printing the newsletter, accompany the children swimming, going on trips, covering the Office desk and many more tasks.

Many of you are likely to have seen me wandering around school helping out or taking photos. You have probably also noticed that my hair colour changes often and this is why you may hear the younger children call me Miss Purple, Miss Orange, Miss Yellow or Miss whatever colour they see! If you see me don't forget to say Hi 😊

I really enjoy being able to interact with the children, teachers, other staff and parents as a result of not being in just one classroom.

I look forward to all the exciting things in store this academic year and hope you are too.

Miss Greene,

General Admin Assistant

Harvest time is fast approaching and be holding our Harvest festival assembly in just 2 weeks time.

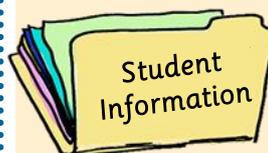

Once again this year, we will be collecting food to pass to the Aston & Nechells foodbank. The food bank serves a wide range of ages and ethnicities, families and individuals in the local area. The list of suggested items can be seen to the left and we have also sent one home.

Any donations will be greatly appreciated and can be sent in with to your child for their class collection.

## Pupil Data Sheets...

At the start of term we sent home Pupil Data sheets for you to check and update. We have had a few back but we need them all returned to ensure our contact information for you is correct.

These forms are very important and **even if nothing has changed** we ask that you please sign, date and return it so that we can update our files.

## Lost Property

We are only a few weeks into the new term and already we have a growing selection of lost property items.

We ask that you please take the time to label your child's clothes, including PE kits and coats, to make them easier to return when found.

### Is your child wearing the correct coat?

Please can you check your child is wearing/has brought home the correct coat from school. We have had several unhappy parents inform us that their child's coat is missing and it is not in the classroom or lost property.

We understand that it can be hectic at the end of the day but if you have taken the wrong coat home please can you bring it back in.
