Serving the local community in the name of Christ since 1859

1st July 2016

Hello Everyone, my name is Mr Senior.

Most of you will not know my name but will have seen my face around the school, I have been at St. Clement's for just over 2 and a half years now. I am the ICT Network Manger (the computer/tech guy), and I split my week working here half the week and spending the other half at Kingsthorne Primary School in Kingstanding.

Unfortunately I will be leaving the school at the end of this academic year to go and work for Link2ICT (school ICT services provider). I have really enjoyed working here and will miss the school and the children, but who knows I may be back when the school calls for some help.

The end of term is quickly approaching so please take note of all the exciting events coming soon including the Year 3/4 Residential next week - have you got everything?

Thank you also to everyone who dressed up today in bright and vibrant colours for our Non Uniform Day in support of the Malawi - Birmingham Partnership. We will let you know how much was raised in next week's newsletter.

I hope you all have an enjoyable weekend and stay safe.

Mr Senior - ICT Network Manager

Can we please remind parents that children are not to be left unattended on the playground or school grounds in the mornings. School begins at 8:45am, and therefore the school will not be responsible for children before this time. Thanks for your continued support.

## Lost Property

We have a selection of lost property in the office foyer that needs to be claimed before the end of the school term.

There is a lot that has not been collected this term already so please take some time to check that none of the clothes belong to your child. There are also a few pairs of glasses that have been handed into the office, again please can you check that these belong to your child.

We will hold onto these items till the end of term and anything left behind will be disposed of.
