Serving the local community in the name of Christ since 1859

4th November 2016

Hello everyone, my name is Ms Kumari.

I have been working at St. Clement's for over a month now and hope to be here for the foreseeable future.

Before St. Clement's I worked in various schools within West Yorkshire. I'm based in Year 5 and was only supposed to stay for a couple of weeks but the children and the Staff have been so welcoming... the obvious choice was to stay longer!

I have already met many of our parents; they too have been very warm and friendly.

I look forward to working within the School Community.

A visit from the Dogs Trust....

On Tuesday afternoon Years 1 and Year 2 had a special visit from The Dogs Trust. We met Bailey the dog and his owner Anthea who told us all about how to look after dogs. We learned all about what foods are good for dogs and what foods might make them sick.

We know all about how to care for dogs and keep them healthy. At the end Bailey showed us some clever tricks. He is such a smart dog!

If you are interested in our Afterschool Photography club on Tuesday then please let the office know as we still have spaces.

Reception go on an Autumn Adventure....

On Tuesday, Reception went on a trip to Sutton Park. We have been learning all about autumn and noticing the changes that occur. During our trip, we explored different areas of the park looking out for autumn things. We collected different coloured leaves, pine cones, sticks, conkers and much more! We did an activity where we matched up colours and objects. The children had a fantastic time and can't wait for the next trip!
