

I can... I can...

I can do a maths activity
I can talk about a shape
e.g. large, small, triangle,
roll.

I can follow instructions
using position words e.g.
behind, under, in between

I can put objects in
order of length.

I can check which objects
are heavier/lighter

I can order familiar
events.

I can answer questions
about how I have sorted
objects.

before and after in my
head.

I can show how many
more are needed to
make 10.

I can use objects to
show the answer to a
question.
