**This course covers:** personal safety, team building, non verbal and verbal de-escalation communication strategies, some positive handling techniques- if required, together with documentation and legal guidance, listening and learning, recording, reporting and reviewing.

**Course Dates:** Thursday 5<sup>th</sup> October 2017 - with further dates to be announced throughout the year

**Venue:** Green Lane School

**Time:** 9am -4pm

**Cost:** £75 per delegate (inclusive of course materials and lunch)

# Managing Challenging Behaviour

## **Course Aims/outline:**

Behaviour is perhaps the most pressing issue in education nowadays. This course aims to help staff understand behaviour and how to deal with it by:

- Building strong relationships - keeping channels of communication open, preventing breakdowns in communication
- Understanding challenging behaviour - how to speak the language of behaviour
- Responding to challenging behaviour - do's and dont's
- Planning for success - how to produce behaviour plans that are fit for purpose

## **Audience:**

Open to all staff working in both mainstream and special, primary and secondary settings.

**Course Dates:** Tues 17<sup>th</sup> October 2017 & Weds 5<sup>th</sup> July 2018

**Venue:** Green Lane School

**Time:** 9.00am - 1.00pm

**Cost:** £100 per delegate

# SEND Teaching & Learning

## **Course Aims/outline:**

- To develop an understanding of SEN and how to best support pupils in the classroom
- To engage in practical activities which will enable you to understand the barriers children and young people with SEND face
- How to plan an interactive, creative curriculum
- To become familiar with assessing pupils working on P Levels
- To share outstanding practice teaching pupils with SEND
- To share practical resources which enable children and young people to engage in their learning and achieve their highest potential

Training will focus on developing your knowledge and understanding of supporting pupils with cognition and learning difficulties. This will include core subject areas such as writing, phonics and maths as well as developing fine motor skills and practical resources to help manage individual behaviours. Throughout the day you will have the opportunity to share your experiences and discuss how you can further support pupils within your classroom. As an outstanding practitioner and SLE I will share examples of planning a creative curriculum, interactive engaging lessons and resources as well as formative and summative assessments. You will then spend time in classes between EYFS-Key Stage 4 to see outstanding practice in a classroom environment. We will look at types of SEND and engage in practical activities allowing you to gain an insight into how pupils may feel and what you can do to create an inclusive classroom in which outstanding teaching and learning takes place.
