Background:

In April 2013, the Government announced new funding of £150 million for Physical Education (PE) and sport. This funding should be used to improve the quality and breadth of PE and Sport provision. The funding was originally for the period 1 September 2013 – to 31 August 2015 but has now been extended. This funding is ring fenced to be used for sport specific areas to make an impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

During the academic year September 2016 to July 2017 we plan to spend our funding in the following areas:

The pink area of the table is a package purchased from the Witchford School Sports Partnership.

**The Witchford School Sports Partnership (WSSP) is a 'not for profit' organisation based at Witchford Village College. The experienced and highly qualified team works closely with schools across East Cambridgeshire and Fenland to support them in raising whole school standards in Physical Education and School Sport. The WSSP also has extensive and established links with partner organisations; these provide enhanced opportunities for schools.*
