

Principles of delicious homework:

- *Develop a love of learning.**
- *Foster a sense of creativity.**
- *Develop own interests**
- *Widen general knowledge of the world.**
- *Develop research and investigative skills.**

We all enjoy learning things in different ways so by using the homework menu we hope that you get a chance to show us your creativity.

It could be an opportunity to work with your parents and/or siblings to research, and enjoy some new ideas. We also hope that it will nurture your love of learning and develop new skills.

Spring Term Homework Menu

Our Growth Mindset Philosophy

With ...

work, practise, perseverance,

You can improve whether it's your academic performance, or any other skill.

BELIEVE TO ACHIEVE!

Year Two

STARTERS

A mouth-watering combination of reading four times a week (for a merit).

accompanied by a side order of

Common exception words spellings (as sent home in spelling books)
Reading comprehension sheet (fortnightly)

Year 2 suggested reading and authors for this term are:

Non-fiction books castles and the Great Fire of London

- Roald Dahl
- Mini Grey
- Oliver Jeffers
- Dick King-Smith

MAIN COURSE

Choose **one** dish from our a la carte menu- you have until Thursday 26th March to complete your project.

Please bring it in on that day for our whole school exhibition.

Design and make a castle.

It could be a Motte & Bailey, a Norman castle or even a concentric castle . It can be made from recyclable materials or you could even bake a castle cake!

Find out about any aspect of the Castle life. Present your findings in the form of a poster, a piece of art work, a PowerPoint presentation, a book or a model.

No Lego models, please.

DESSERT

Here are some family activities to promote learning skills:

*Practise some of the games on our class page on the school website.

*visit one of the free museums in Cambridge.

*Complete a large jigsaw puzzle or play your favourite board game.

*Practise telling the time, using coins to buy items and using your measurement skills by measuring objects in your home,
