## Class 4 Roman Time-Travel Day!

Dear Parents,

This term, Year 4 are studying the Romans. The children have been finding out about the impact the Romans had on Britain.

On **Tuesday 26th March**, our Roman topic will conclude with a day of complete immersion into a Roman world. The children will have the chance to explore Roman artefacts, go to 'gladiator training' and make mosaic artwork. To make the experience complete, we also invite everyone to come to school on the day **dressed in a Roman costume**. On the back of this letter, there is a simple costume idea, but please feel free to be as creative as you like.

This adventure will take place within normal hours at school and will be led by Hilary Mynott, an experienced 'hands on history' expert. The day will be a fantastic learning experience for the children as it will provide them with expertise and resources beyond those that we can usually provide in school.

To cover the costs of this experience we would like to ask for a voluntary contribution of **£7 per child**. Payments can be made by cash, cheque or on Agora (our online payment system) **by Friday 8<sup>th</sup> March 2019**.

Please return the slip below to enable your child to participate in the day.

Anyone who has difficulties with the cost please do speak to us or Mr Bryant. Conversations will of course be in the strictest confidence.

Many thanks for your support,

Cath Slattery and Maggie Webb

## How to make a Roman toga from a sheet:

- 1

Grasp an adjacent corner of the sheet with each hand.

- 2

Bend down and hold the sheet near the floor so that you can step over it. Stand up and pull the corners out in front of you. The sheet now wraps around your body under the armpit.

- 3

Take your right hand and bring the corner under your left armpit. Clamp down with your left arm to hold the corner in place.

- 4

Reach with your right hand over your right shoulder and grab the free corner clamped under your left arm. Pull the corner upwards and across your back to your right shoulder.

- 5

Tie the two corners together at the right shoulder to secure the toga in place.

- 6

Tuck the knot under the fabric for a cleaner look. Use clothespins under the fabric to adjust the garment to your liking.
