

## Principles of delicious homework:

- \*Develop a love of learning.
- \*Foster a sense of creativity.
- \*Develop own interests
  - \*Widen general knowledge of the world.
- \*Develop research and investigative skills

We all enjoy learning things in different ways so by using the homework menu we hope that you get a chance to show us your creativity.

It could be an opportunity to work with your parents and/or siblings to research, and enjoy some new ideas. We also hope that it will nurture your love of learning and develop new skills.

2

## Homework

## Year Four

### Our Growth Mindset Philosophy

With .....

**work, practice, perseverance,**  
you can improve – whether it's your  
academic performance, or any other skill.

**BELIEVE TO ACHIEVE!**

## STARTERS

A mouth-watering combination of reading at least three times a week

accompanied by a side order of

spelling every week and times table practice through the week

Year 4 —suggested authors are:

**Michael Morpurgo, Dick King-Smith, Roald Dahl, Jeremy Strong, Shirley Hughes, Anne Fine.**

## MAIN COURSE

Choose one dish from our a la carte menu- you have until Wednesday 3rd April to complete your project. Please bring it in on that day for our whole school exhibition.

**Make a Roman shield out of cardboard. Research the style and colours carefully.**

**Create an information leaflet showing different aspects of Roman life.**

**Make a 3D model of a Roman villa.**

**Write a newspaper report about the Roman invasion of Britain.**

**Research the Roman Gods and design your own God.**

## DESSERT

Here are some family activities to promote learning skills:

*\*Practise your memory skills~ play Kim's Game.*

*\*Visit the Fitzwilliam Museum and look at the Roman collections.*

*\*Complete a large jigsaw puzzle ~ bring in a photo!*

*\*Practise using your measurement skills by measuring items in your home, or weighing out ingredients when you're cooking.*
