**How can we make our school better:** Not having PE, quieter hand dryers, make it bigger, more pictures, we would like a stage in the classroom, tidy it up, more numbers, more books, , Nice and tidy, more cuddles, making right choices, having more books, sharing, listen to teachers, allowed to drink juice, everyone to have breakfast club, listen to the adults, listen to the good kids and naughty kids, behaviour be good, keep it tidy, litter, listen to the teachers, be good, letting small children go in to the big playground, to be good, do not litter, no fighting, More cubs, more lunchtime clubs, having more healthy options for lunchtime and by helping teachers. More interesting/ different ways to make friends, more decoration and more golden time. More outside equipment, I think the school is already really better, buy equipment for lessons and play time. Bigger school with music and ICT room, having more things in the playground to play with, extra help, free sports, a few more clubs like netball, rooms, more space in the classrooms, make sure the lunchtime ladies are less bossy, by cleaning the playground and making the environment clean, more outside lessons, teamwork, no bullying, there is no way you can improve this school, but a better environment, outside tables to eat, maybe we could have more PE and ICT lessons and by helping one another more often, be the best, free meals to everyone, to have a gym, more play equipment, class pet, have a slide in the playground, more fun lessons, change classes over to make it cleaner, learning other languages and real football goals.

**Any other comments :** We like the year 1 toilets, the teachers are nice and kind, more writing, We should close later, a school soundtrack playing all the time, have a coffee station / café for kids, close the school earlier and school is awesome. Bigger classrooms, I love St.Luke's just the way it is, I would like a star of the day toy, more people to join the school, I like the teachers who support us and I want to keep the whole school tidy, more fun, included, I love the teachers they are always helpful, I like the way they do fun things with us, I like the teachers, the teachers are amazing at teaching, friends are kind, get more equipment like pencils, keep everything nice and tidy especially the toilets, the teachers are better, maybe put up more cameras, I like the lessons and teachers, I like the way teachers teach us, St.Luke's is the best, more lessons and teachers are nice, be awesome, Just keep doing what you are doing, I feel confident and proud, for teachers to work with every child, more learning, try to make our good rating higher, I like all the teachers, lockers for everyone, school talent show, this school makes life easier than Wessex, add trampolines and I think we should learning Romanian and Welsh.
