## St Luke's Home School Support

Dear Parent and Carers,

Would you like learning support with something your child is finding challenging in school?

- Does your child have a particular learning need which you would like to talk through?
- Would you like to discover more about how we teach different areas so you can support your child better?
- Would you like to talk through a non-urgent school problem?
- Would you like to meet and discuss your concerns with other parents to gain new ideas of how to support your child?

If the answer is yes to any of these questions, then Miss Nash is here to help.

They will be available for individual and/or small group support meetings once a month. Please book an appointment at Reception.

If the times set are not convenient for any reason, then please request an appointment at a different time and we will try our best to accommodate. Also if it is easier by phone or email, please let us know.

We look forward to working closely with you to help better support your child.

Many thanks

Amanda Hough
