School Message

It was lovely to see so many parents at parent's evening this week. The children really appreciate the opportunity to discuss their achievements and share their targets. If you have missed booking an appointment for parent's evening please see your child's teacher and they will do their best to accommodate you. If you are one of our 'Achievement for All' families please book your appointment with the teacher within the next few weeks.

To represent the school as a member of a sports team is a great honour. Teams do well when the team members are consistent – if the Manchester City team changed every week they would not succeed! Please bear this in mind if your child is chosen for a team – if they do not play in a match they are chosen for we cannot guarantee they will have the opportunity to play again. Thank you for your understanding in this matter. Some matches are at home this week – feel free to come and cheer our teams on!

Have a lovely weekend

Parking -Urgent

We have received this message from BANES ENFORCEMENT TEAM

A driver approaching the school from Haydon tried to overtake the vehicles waiting at the crossing, putting everyone on the road at risk. If drivers stop opposite the school on the "NO STOPPING" yellow painted SCHOOL KEEP CLEAR they are subject to a fine. The Council's Parking Enforcement Officers no longer have a word with drivers, the parking offence is filmed and the driver is sent a fixed penalty notice in the post.

Show you care, park elsewhere. Thank you.

The above message was in last weeks newsletter but we still have a problem with parking. We would like to thank all the parents that are sending pictures in of cars illegally parked - please keep sending the pictures in. We are sending them onto BANES ENFORCEMENT TEAM.

A Time To Talk

In each class ask your child about:

Cam/Lox: What different sights can you see that tell you Autumn is here?

Brue& Year 1: How do you make porridge?

Dart: Which English cities can you name?

Avon/Kennet: Who was the Amesbury Archer?

Mells: How can we reduce the effect of deforestation on the environment?

Yeo/Severn: What Anglo-Saxon place names do you know?

Huntspill: Electricity - How can you stay safe?

Our Values

This week the children in Year 2 looked at our school values and designed some posters to show the special words. Years 2 are very proud of how well they use the values every day in school.

PARENT PAY & eSCHOOL

Thankyou to everyone that has managed to connect to ParentPay and eSchools.

Every parent needs to log onto their ParentPay account to pay for dinners, trips and such like. We are unable to take cash in the office.

eSchools is where you can look at the latest newsletter book parents evenings, view your childs attendance and much more.

We are aware lots of parents have not logged on which means you are not accessing vital information. Please contact the office to book an appointment to come in and we will get you set up.
