Have you bought your Christmas Disco tickets yet? It is going to be a lovely family evening. For those of you who haven't been to a silent disco before you will be given headphones with three channels of music on so that you can choose which music you want to dance to. It is a fun night as you swap between channels when you realise your friends are dancing to different tunes! Supper is included in the price, the hall will be decorated for Christmas and we will be running Mrs Biss' bar again—so why not come along and have some fun? I look forward to seeing you all there next Friday!

The Christmas Raffle will be drawn at the disco.

This year St Nicholas will be celebrating the Nativity by doing Posada.

Originating in Hispanic countries to celebrate the nativity story, Posada is a period of time during Advent when figures from the nativity story travel around different households in the community and stay there for one night. Families can sign up to take part and then become hosts to the holy family for one night during Advent. During this time, children have an opportunity to learn more about the Christmas story. If your child brings home Mary and Joseph please take a

photo and send it in to head@stnicholasschool.co.uk. We will then keep a diary of their journey on our Facebook page. Last time we did this they went everywhere including skating, to Longleat and into Bath! Those children who have said that they would like to join us at the Community Carol Service will be bringing a letter home tonight so please speak to your child about this.

Have a lovely weekend

Best wishes

Swimming Gala On Wednesday 27th November the amazing swimmers (Kelly, Poppy, Laura, Liam, Lucas, Charlie, Gracie and Gabriella), went to Midsomer Norton Sports Centre for the Swimming Gala. We finished 6th out of 10 teams and no one won any medals this time but we all tried our best. Well done swimmers!

Boys Football Tournament

On Tuesday 25th November, the Year 5/6 Football Team went to Somersvale School to play in the Football Tournament. We were in a very strong group, playing against Paulton and Westfield (who were the eventual winners). We played exceptionally well and scored some brilliant goals but weren't able to grab gold this time. Well done team!

Outside School Achievements

Well done to Theo C who has completed 11 part runs which is equivalent to a half marathon. We are extremely proud of you.

A Time To Talk

In each class ask your child about:

Cam/Lox: Can you find out the names of the 3 kings in the Christmas story?

Brue: How many different pairs to ten can you think of?

Dart What would you put in a healthy lunchbox?

Avon/Kennet What is advent?

Mells: What is the story "feeding the 5,000?"

Yeo/Severn: What are prime numbers?

Huntspill: How do you make organic stars and Christmas trees?

Our Values

Cam and Lox class have been talking about what activities make them happy. We then worked together to draw things that we can all do together as a community, the children came up with going to the cafe and visiting the park. This shows we know the true meaning of koinonia

Crossing Patrol

Can we please remind you the crossing patrol lady is there for the safety of the children and needs to be used appropriately at all times. She is not responsible for supervising children that have run on down the road. As parents you are responsible for your children and you need to ensure you can see them at all times. We accept your children will run on down to greet the lollipop lady but due to reports from other parents of children being left with her we had to bring this to your attention.
