Table Talk – A science lecture at Lensfield Road Cambridge, in the University of Cambridge Chemistry department

Dear Parent / Carer

We have been very lucky to secure tickets for this talk for children on Monday 18th March. We will be leaving school at 12.30 for the trip into Cambridge. The lecture finishes at 2.30, so we aim be back in time for the end of school.

As we are leaving school during lunch hour we would like all children to have a **packed lunch** with them on this day.

The cost of this trip is only for the coach, as the talk itself is free. We can only run these trips through voluntary contributions from parents. The cost per child is £ 4.87. If we do not receive enough funds to cover the cost of the trip it will not go ahead.

Thank you for your support. We are looking for some adult helpers to accompany us so do let us know if you would like to come. Please feel free to direct any questions to your child's teacher.
