

Bottisham Community Primary School

Interim Head: Lisa Perry
Deputy Heads: Christine Sheppard and Debbie Heijne

4th June 2019

Dear Parents/Carers,

Recently, people across Britain have been wearing yellow or orange to raise money for the RNLI. The RNLI is a good charity for us to support because they save people's lives at sea. They have hundreds of lifeboats and crews around the country. This summer lots of children from our school might go to the seaside and use RNLI lifeguard beaches and if something goes wrong they might need the RNLI. Even though we don't live near the sea, we can still raise money for the RNLI to help them get new equipment.

We would like to give the children of Bottisham Primary School the opportunity to come to school on **Friday, 14th June** wearing something yellow or orange for a donation of £1. This will be a non-uniform day so if the children have no yellow or orange clothing, they can still come in their own clothes and donate £1.

If you would like to find out more about the work of the RNLI, you can visit their website at <https://rnli.org>. The money we raise will go to their 'Mayday' campaign, even though we are doing this in June.

Yours faithfully

Nathan Waterson
