Dear Parents and Carers,

ANIMAL EXPERIENCE VISIT

Our topic for this term is 'Amazing Animals' and we have arranged for 'The Animal Experience' company to bring a range of animals and insects for the children in Nursery and Reception to see.

In a session especially adapted for younger children, they will learn where the animals live, what they eat and whether they are rare or endangered. If the children choose to, they may even have the opportunity to hold some of the animals, being closely supervised by an adult.

The sessions will take place during the morning of **Monday 3rd June** and the experience has been kindly funded by the PTA.

If you have any questions, please speak to your child's class teacher.

Yours faithfully,

Mrs Swift

Mrs Morrison
